does not require much power to function  
you may use 2 rechargeable aaa nimh  
batteries or high drain alkaline batteries  
which can last a very long time if used  
efficiently however the other high value  
speed guns may require changing of  
batteries every two weeks'

'5 guys with bats vs 6 guys with pocket  
knives whowouldwin

August 1st, 2019 - given the added reach of  
the hunting knives it would lessen the  
disadvantage also unlike with the pocket  
knives each cut would all be very damaging  
where a pocket knife wouldn't be as sharp  
nor as deep in its cuts however the bats  
still have a massive weight and range  
advantage and a solid hit is still basically a  
winning blow so i still think bats win but by  
a closer margin"alpha 18 official release notes 7
