*May 20th, 2020 - the magnum
opus by christopher and
christine kezelos is a magical
tale which follows on from a
short film they made entitled the
maker i found however that it is
not necessary to watch the film
as the book contains the
narrative of the film and is self
contained the story opens in the
workshop of the makers where it
is the job of the newly created*

maker to create the next a process"**the magnum opus seek and you shall find moonlight book**
