seekers of silence

**May 23rd, 2020 - seekers of
silence i am a seeker of silence
i m looking for the meaning in
the spaces between the words in
the silence between the syllables
my desire is to understand what
is behind that which is in front
of me most of what i treat as
insight is echoed in other
sources but i have purposely not
studied those sources as of**

need peace and quiet when he sees

a young boy from the family
sitting disconsolately on the
steps'

'why silence is so good for your
brain huffpost

May 21st, 2020 - a 2013 study on
mice published in the journal
brain structure and function
involved paring the effects of
ambient noise white noise pup
calls and silence on the rodents
brains although the researchers
intended to use silence as a
control in the study they found
that two hours of silence daily
led to the development of new
cells in the hippocampus a key
brain region associated' '*the
