December 24th, 2018 - There is now a more updated version that at least went through the 2006 season there may be one beyond that even by now This is definitely a must have for all die hard baseball fans going through each World Series from the first one to the more recent one and every detail of the feeling at the time amp going through each game"

APBA Soccer Review
tabletopsports reddit

December 24th, 2018 - It comes with 4 teams a game manual dice and cardboard pitch field Like the baseball set my review of that is here the manual is well made and the pitch?s quality is lacking Unlike baseball the pitch is critical to the game to track field position Like APBA Baseball the game is determined by a series of die rolls and card references'
