betrayed the role of the west in rwanda s

April 23rd, 2020 - a riveting but disturbing and heart breaking account of rwandas genocide linda melvern has written a penetrative account which vividly reveals how the international munity under the auspices of the united nations miserably and unjustifiably failed to act in the face of a carefully executed plan to exterminate by murdering the minority tutsis and politically moderate hutus in rwanda in 1994''
