**'How to Make Your Marketing Great Using Evidenced based**

**April 28th, 2020 - The advantage of an evidence based approach is its objectivity The objective is to not find fault or blame but to help marketing stay aligned to customers pany strategy and best practices As growth and maturity es from self reflection so to for anizations ? especially during times of uncertainty volatility and velocity"** *Strategic account management Customer value creation*

*April 25th, 2020 - Strategic account management Customer*

---

---

*value creation through customer alignment Article PDF  
Available in Journal of Business amp Industrial Marketing 21  
6 · October 2006 with 5 895 Reads'*

**'A Supply Chain to Meet Modern Demands Oracle Blogs  
April 23rd, 2020 - Businesses today not only need to  
respond quickly to shifts in the market and changing  
demand?they also must be able to tap into a range of  
internal and external data to predict and even shape  
demand bringing together groups from across the pany  
to plan and execute efficiently'**

**'Cross functional Team Management Leadership amp  
Collaboration**

**March 17th, 2020 - It?s unclear who has the authority to  
make decisions And project management is  
disconnected from the rest of the anization At  
Consequent we help clients adopt and apply a mon cross  
functional language agree on key priorities create an  
integrated view for what the ultimate outes should be and  
prioritize next steps'**

**'The FOUR Supply Chain ENABLERS Free Online Library  
May 1st, 2020 - Finally panies must remember the human  
resource management ponent When asked to participate  
in the cross functional activities of integrated supply  
chain management people sometimes respond that It s  
not my job Job descriptions and performance  
measurement and reward systems need to be changed to  
overe this resistance'**

---

---

'Angular velocity integration in a fly heading circuit eLife April 29th, 2020 - Activity of E PG neurons is shown in red and that of P EN neurons in blue Animation shows the interaction of the two populations during a turn and highlights how heading dependent E PG input bins with turn direction dependent angular velocity input to trigger P EN activity in the appropriate protocerebral bridge glomeruli'

## CHAPTER 2 ROAD PLANNING AND RECONNAISSANCE

May 1st, 2020 - CHAPTER 2 ROAD PLANNING AND RECONNAISSANCE 2 1 Route Planning Planning with respect to road construction takes into account present and future uses of the transportation system to assure maximum service with a minimum of financial and environmental cost'

'PDF Dynamic capability Impact of process alignment and

April 25th, 2020 - Although there is much emphasis on the importance of process alignment organizational learning culture and dynamic capability little attention has been paid to their interactions and joint''Where s the beef DC Velocity

April 13th, 2020 - To coin a phrase made popular years ago by a fast food chain ?Where?s the beef ? In earlier blog postings I explained how analytics coupled with accurate and specific data can be used to facilitate cross functional decision making that is based on facts not
