***'The Phantom of the Opera Medley for Violin***

*April 29th, 2020 - I love Lindsey's arrangement of Phantom of the Opera. The book is the piano music, violin part is written in. There's an insert inside the book that has the violin music. The violin music is 6 pages long, page turning is a little awkward if you have to do it yourself. The only way this book could be better is if it came with an accompaniment CD.'*
