### **questioning our knowledge myrtlefield house**

April 26th, 2020 - in book 3 questioning our knowledge  
gooding and lennox discuss how we could know  
whether any of these peting worldviews are true what is  
truth anyway and is it absolute how would we recognize  
truth if we encountered it beneath these questions lies  
another that affects science philosophy ethics literature

---

and our everyday lives how do we know anything at all'  
**'questioning our knowledge by david gooding and  
john lennox**

**May 23rd, 2020 - in this series of books david  
gooding and john lennox offer a fair analysis of  
religious and philosophical attempts to find the truth  
about the world and our place in it by listening to the  
bible alongside other leading voices they show that it  
is not only answering life s biggest questions it is  
asking better questions than we ever thought to ask'**

**'questioning skills and techniques skillsyouneed**

June 2nd, 2020 - questioning is fundamental to  
successful munication we all ask and are asked  
questions when engaged in conversation we find  
questions and answers fascinating and entertaining

---

---

politicians reporters celebrities and entrepreneurs are often successful based on their questioning skills asking the right questions at the right time and also answering or not appropriately'

***'the end of our exploring a book about questioning and the***

*May 26th, 2020 - but in those first days we were confronted by a host of unknowns the fragments of our knowledge about al Qaeda about our own security about a suddenly unstable world left more negative spaces than they filled but we can only recognize gaps in our knowledge because we already know something'*

**'epistemology how do you know that you know what you know**
