music counterpoint definition

counterpoint is a style of musical
writing which involves intertwining
two or more melodies each
individual melody also called a
voice or part is an independent
musical idea and the emphasis is on
the separate strands of melody on
the horizontal axis rather than on

the harmony or vertical axis"**felix salzer counterpoint pdf pdf for me**

May 29th, 2020 - this book was rife with useful examples of counterpoint and the use of dialogue between teacher and

student was a very effective way to study the artform that being said it s largely up to the reader to thoroughly dissect the examples which are written in tenor alto clefs in order to know what they are discussing in the dialogue'
