***golf sport britannica***

*May 30th, 2020 - golf a cross country game in which a player strikes a small ball with various clubs from a series of starting points  
teeing grounds into a series of holes on a course the player who holes his ball in the fewest strokes wins the origins of the game are  
difficult to ascertain although evidence now suggests that early forms of golf were played in the netherlands first and then in scotland'*
