'anglo saxon swords in medieval england
May 9th, 2020 - a sword's value could come from its maker, design or history. Swords can be transferred between a lord and retainer through inheritance and to burials first and foremost. Burials of swords were very rare especially later in anglo saxon england due to maintaining the value that a sword holds' *'the gn sword my armoury*

May 16th, 2020 - the thegn is intended to represent a slighter sword of anglo saxon style which could plausibly have been carried by a nobleman of 9th century england. It bears mentioning though that the thegn is somewhat plain compared to many of the originals from this period which often featured rich inlays of precious metals and intricate pattern welded blades' 'the sword in anglo saxon england its archaeology and
