a torpedo bomber developed initially for the united states navy and marine corps and eventually used by several air or naval arms around the world it entered u s service in 1942 and first saw action during the battle of midway'

' tbf tbm avenger units of world war 2 barrett tillman

May 19th, 2020 - as a key weapon of world war ii 1939 1945 the avenger was so highly valued by the us navy that its demand for the aircraft soon outstripped grumman s production capacity so general motors gm was contracted to build the near identical tbm from september 1942 onwards'

' tbf avenger
