'From Finance Capitalism to Financialization A Cultural

November 26th, 2019 - In this article I interpret 150 years of financial history with a focus on shifts in the role of finance in society I argue that over time the role of finance has shifted twice from that of servant to that of master of society and that this process has been driven by sense making through narratives that legitimized and shaped these changes"The Efficiency Paradox What Big Data Can t Do Audiobook

December 23rd, 2019 - The result is that working and middle class Americans have seen their incomes flatlining and their American dreams slipping away In response Smick calls for the great equalizer a Main Street capitalism of mass small business startups and bottom up innovation all unfolding on a level playing field'
