how to clean rubber stamps for
clearer stamping results
June 5th, 2020 - keeping your
rubber stamps clean is essential

if you want to achieve good quality stamped images every time if you do not clean your stamps after a stamping session you may find that the ink gets transferred to your next project creating muddy colors or that the detail in your stamp design starts to get clogged with dried ink

'making cards with rubber stamps over 100 illustrated May 21st, 2020 - maggie wright originally studied interior design floristry and cordon bleu cooking but has now been involved in rubber stamping for over twelve years having run her own craft pany she recently anised a trip to california for twenty rubber stamp addicts to see stamps being manufactured take part in workshops and see an american stamp show'
