**'transnational mobilities and the making of  
creative**

May 13th, 2020 - this review essay on the literature  
on creative cities pays particular attention to the  
ways in which transnational mobilities contribute  
significantly to the making of such cities the paper  
reviews critically both the literature and  
phenomena of creative cities and their  
transnational flows by framing the discussion  
around the mobility of ideas creative economy  
creative city discourse the "international or  
transnational what s the difference

May 28th, 2020 - international is a see also of  
transnational as adjectives the difference between  
international and transnational is that international is  
of or having to do with more than one nation while  
transnational is between or beyond national  
boundaries as nouns the difference between  
international and transnational is that international is  
sports someone who has represented their country in  
a "**disciplining the transnational mobility of people
