May 31st, 2020 - the  
traditional method of  
reading lenormand is to  
read all 36 cards in a  
layout known as the grand  
tableau modern  
traditionalists often use  
shorter layouts that are  
segments of the grand  
tableau allowing one to  
focus on a very specific  
question using a specific  
syntax for clarity cards  
modify other cards  
according to explicit  
rules''**reading lenormand

around like a knight piece  
in a chess game this means  
that you will need a 3 3  
spread to read at the very  
least however the details  
garnered from this  
technique are better when  
used with a lenormand grand
