**my dog takes forever to poop or pee she circles and zig**

**May 6th, 2020 - the circling around is an instinctual inborn behavior for most dogs because in the wild they would circle around repeatedly to trample down grass or weeds to make a spot to either lie down on like a makeshift bed or to defecate onto if you will notice some domesticated dogs will circle around a few times before lying down on a carpet a throw rug or even a bed"***scared and shaking in dogs definition cause solution*  
*June 2nd, 2020 - and i know because i camptured it on video she s been shacking and does*

---

*not want to go to her bedroom she fell asleep on our sofa behind my husband s head and that is so not like her because she goes to her room to her bed when she s sleepy i ve told the spirits to leave her alone but nothing i feel really bad for my dog she s my baby"***the notebook 2004 goofs imdb**

**May 31st, 2020 - when noah takes allie to the plantation for the first time she is instructed to stay outside when she looks at the river into the moonlight her silhouette reveals flowing curls and when she turns around her hair is slightly curled at the ends but not nearly as much as 2 seconds earlier'**

**'what to expect when your cat is in heat the spruce pets**

**June 2nd, 2020 - she may rub against you pace back and forth and assume a mating position if you pet or stroke her you may notice your cat loses her appetite during this period as well or she may lick her genitals often and mark her territory by spraying she may also attempt to run out the door escaping to find a mate this is all normal behavior during heat"***is your cat acting weird 5 reasons why catster*
