June 4th, 2020 - annotation in 1928

martha mead published *Coming of Age in Samoa* an anthropological work based on field work she had conducted on female adolescents in Samoa. In mead's book that became a best seller and unleashed a storm of controversy she argued that it was cultural factors rather than biological forces that caused adolescents to experience emotional and psychological stress.

'Was mead wrong about *Coming of Age in Samoa* an analysis

May 19th, 2020 - this paper presents an

analysis of the mead freeman controversy with a focus on mead s claim that ing of age in 1920s samoa was acplished with relative ease it is concluded that while mead appears to have engaged in some inappropriate generalizations to the rest of samoa from the small island of ta u freeman s counterevidence to support his claim that adolescence on ta u would''**ing of age in samoa a psychological study of primitive**
