in australia wow travel***

*June 3rd, 2020 - the continent
of australia with its unique
flora and fauna and ever
changing landscapes is a land
full of surprises and
discoveries the largest country
in oceania australia is also
home to numerous smaller
islands scattered around it
most people are familiar with
the biggest of its islands
tasmania but not many are
aware of the other stunning
islands that belong to this*

country"the beautiful land by
alan averill goodreads

June 1st, 2020 - it s been a
very very long time since i ve
read an entire adult length
book in one day with the
exception of the first 40 or so
pages of averill s the
beautiful land i read the
entire book over the course
of a particularly slow day at
the office averill s debut
novel is at once fun quirky
and engaging with just the
right about of heartbreak'
