*June 6th, 2020 - the descent of man darwin wrote  
in the preface to the second edition of the fiery  
ordeal through which this book has passed he had  
avoided the logical oute of the general theory of  
evolution bringing man into the scheme for twelve  
years and in fact it had by that time been so much  
accepted that the clamour of the opposition was  
not strident'*
