Pool maintenance guide Pools CHOICE

March 15th, 2018 - Manual chlorination The most labour intensive way of keeping your pool sanitised is to manually add chlorine This involves testing your pool s water to figure out how much chlorine to use and will need to be done every second day for the average backyard pool'

'Cheap Pool Cleaners Brisbane Pool Equipment Brisbane December 22nd, 2019 - Budget Pool Cleaners Brisbane sit in sun and chlorine for most of their working life which does sound a little like a good holiday? and can clock up more than 1000 km a year Some cheaper models may not last the distance Pool cleaners can?t clean a very dirty pool so you won?t get out of this task altogether'

'Sterns Above Ground Swimming Pools Saltwater Freshwater December 23rd, 2019 - Direct Pool Supplies are proud distributors of the Aussie made Sterns Above Ground Pools Choose from our range of keyhole oval amp round above ground pools semi in ground pools splasher pools and our huge range of pool accessories Most pools are available with a saltwater amp deep end option'
