*May 18th, 2020 - pro sql server
internals is a book for developers
and database administrators who
want to design develop and maintain
systems in a way that gets the most
from sql server this book is an
excellent choice for people who
prefer to understand and fix the root
cause of a problem rather than
applying a band aid to it'*

**'sql server internals and
architecture overview udemy
June 1st, 2020 - sql server is a
massive plex product one dbcc
mand can have over one hundred
thousand lines of code once you ve
learned the basics creating tables
inserting data backing up
databases then what the daily
routine of a database developer or
dba often doesn t involve internal
structures i ve been driving for 30
years but don t know the parts to
my car s engine'**
