'creating a personal masterplan josh kaufman
June 4th, 2020 - a personal masterplan is a short
planning document that captures what you want to
achieve most within the next three years then
systematically breaks down those goals into the
most important actions you need to take this week
in order to achieve them'

'how to design your life a personal development
guide

June 4th, 2020 - how to design your life it is
always a process not an immediate spell cast by a
magic wand but what is also true is that no major
changes are necessary to figure out how to change
your life with the help of these small personal
growth and development tips you will be able to
make small changes for the better in your life'

'how to design your own life possibility change
June 5th, 2020 - there are no guarantees that life
will turn out the way you want but you have a
better chance of it turning out how you want if
you know how to design your own life i like the
image of an architect designing a building by
first laying out the blueprints or a writer
outlining a book starting with the table of
contents'

'create your day and design your life today i am
blessed

May 15th, 2020 - there can be external influences
there can be objects to overe but at the end of

the day you are in charge of the way your life is built and the structure you create for yourself start your day right and create the best version of yourself before you do anything else there is a power in your thoughts and in your habits'
