If you're a startup tech entrepreneur or venture capitalist there's a good chance you do business with Silicon Valley Bank SVB. The lender's clients include half of all venture capital-backed technology and life sciences companies in the US and 67 per cent of companies that went public last year with venture capital support.'

**'On New Terrain with Kim Moody WORT 89.9 FM**

March 27th, 2020 - Allen Ruff and intellectual Kim Moody discuss the new age of capital and how it is reshaping the battleground of class war. Moody is a decades-long writer on labor and working class advocate. From 1979 to 2001 Moody served on the staff of Labor Notes magazine in Detroit which he helped to found. He's author of a number of books.
